~~Herewith~~ 3 of your cables -  
all we can locate now -

Col White suggests that  
you discuss ~~with~~ Hunt - or  
whoever may be handling - and  
suggest you may be of assistance  
now and when Committee returns -  
and suggest you be coordinated -  
However, Col White will not  
take action himself - and  
he is not suggesting that your  
approach be at his request -
